Feature inclusive
natural detailing

Light colour tone

Affordable and premium
quality

Craft serene, captivating spaces with JSC Nordic Pine. Known for its beautiful butterfly knots and light, consistent tone, JSC Nordic Pine brings the tranquility of the forest into the heart of architectural designs. Its distinctive yellow-white hue, adds a touch of rustic elegance to any residential or commercial space.

JSC NORDIC PINE FEATURES

- **Light Colour Tone:** The light tones of this timber lend it to a range of colour options.
- **Affordable:** A cost-effective solution without compromising on quality or beauty.
- **Beautiful Butterfly Knots & Consistent Grain:** Each board tells a story with its unique, naturally occurring butterfly knots, adding character to every piece.

- **Design Flexibility:** Stain your boards/battens with the JSC Wood Oil range to enhance the natural beauty of the timber whilst offering design flexibility and timber protection (colour restrictions apply, contact JSC for more information).
- **Eco-Friendly:** Responsibly sourced, JSC Nordic Pine supports sustainable design practices while offering a nature-based design element to projects.

JSC NORDIC PINE APPLICATIONS

- **Weatherboards:** CodeMark® certified H3.2 MircoPro® treated weatherboards available offering a high-quality and cost-effective product with no finger joints.
- **Interior Wall Panelling:** Ideal for creating warm, inviting atmospheres with its soft texture, natural aesthetic, and light colour tones.
- **Battens & Screens:** Available in custom sizes, JSC Nordic Pine battens offer design flexibility to bring your creative visions to life by offering privacy without sacrificing design cohesion.
- **Ceiling Accents:** Craft beautiful ceilings with naturally light tones, bringing an element of Scandinavian simplicity and understated elegance to your ceilings and soffits.

Disclaimer: Information relating to JSC products is necessarily general and is intended to be a guide only. The product may vary in dimension, appearance, or specification as a result of natural product variations, different installation methods, or uses of the product. Customers should independently verify all technical information and obtain independent advice to determine the suitability of the product for their intended purposes. The Customer is solely responsible for determining whether the product is suitable for their intended purposes. JSC is not responsible for the manner in which the product is used, and JSC accepts no liability (whether for negligence or otherwise) for any claim arising from or relating to information, documents or other materials provided by JSC.
